PORTFOLIO CUSTOMIZATION CHECKLIST

Now is the time to take everything you just learned and package it up into a website that serves its intended purpose and is uniquely your own.

Your website is yours to experiment with, but here are a few ideas to help you customize it. Go through this quick and easy checklist to add your own touch to your site:

❏ **Customize your content** - tell your audience who you are, what you do, and how to connect with you.

❏ **Personalize colors and images** - design your personal brand with your own color palette and imagery.

❏ **Add your own web fonts** - add some personality to your text and icons.

❏ **Link to your social media** - show visitors all the ways they can connect with you and follow your work.

❏ **Bonus! Add more pages** - as an optional step, make your site as big as you want!
